The 10th Nocturne

LYNN JEREMY

A standalone novel from the author of Nightcap

Hold still.

Paris, 1926. Odile Fauvel is twenty-one, penniless, and sitting very still for the most celebrated painter in Montparnasse. What she writes in her diary at night is not what the world sees by day.

Paris, today. Tessa Rourke cleans up after the worst day of other people's lives. Then a letter arrives. A great-great-aunt she never knew existed has left her a sealed apartment, untouched since 1929.

Nine Nocturnes. Nine deaths. And a tenth still waiting to be finished.
